

# CSIRO Discovery Centre: COVID-19 Safety Plan Overview

The health and safety of our staff, students, families, and communities is our number one priority. The Discovery Centre is enacting the following policies to ensure risk is minimised to visitors:

## **Preventative Actions**

- Hygiene: hand sanitiser is available at the entrance to the Discovery Centre
- Social distancing: everyone is advised to maintain a safe physical distance between themselves and other visitors. Visits are capped and timed to maintain a safe number of visitors in the Centre at any time.
- Cleaning: An increased cleaning regime is in place for the Discovery Centre including high touch point areas and bathrooms.
- A response plan is in place for staff or visitors who present as feeling unwell.
- Cancellation Policy: CSIRO will not impose a cancellation fee for schools that are unable to attend due to Covid-19.
- CSIRO has a Situation Management Team who is monitoring the everchanging situation and modifying our actions according to the everchanging environment.
